## **Veterinary Ventures, Inc. Unveils New High Capacity Filters for Popular Pet Fountains**

*-The makers of the Drinkwell® Pet Fountains announce the release of the Drinkwell® High Capacity Filter, keeping water fresher and cleaner than ever before -*

**(Reno, NV)** – Designed to keep water fresher and cleaner than ever before, Veterinary Ventures, Inc. has unveiled its new High Capacity Filter for all Drinkwell® Pet Fountains.

The new Drinkwell® High Capacity Filter is sectioned into six individual compartments to allow for an even distribution of charcoal throughout the filter. The charcoal removes bad taste and odors, keeping the water fresher and cleaner for your pet.

The Drinkwell® High Capacity Filter is a duo density polyester pad that aids in trapping debris for safer drinking water.

The High Capacity Filter works with all Drinkwell® Pet Fountains and is available in a convenient replacement 3-pack for a suggested retail price of \$11.49.
