Veterinary Ventures, Inc Partners with Local Companies to Donate Dog Drinking Fountain to Rancho San Rafael Park

(Reno, NV)- Sean Rowe, managing director and principal of Veterinary Ventures, Inc. is proud to announce its partnership with Q & D Construction and Western Nevada Supply in donating a pet drinking fountain to Rancho San Rafael Regional Park.

Located at 1595 N. Sierra Street, the Rancho San Rafael Regional Park is 570-acres and features an off-leash area for dogs to play. The fountain will be a great addition to the park, benefiting dogs and owners alike by helping keep their pets hydrated while they're out enjoying the park. Veterinary Ventures, Inc. is responsible for coordinating this project and donating the water fountain, while Western Nevada Supply will be donating the materials and Q & D Construction will be donating the labor.

Veterinary Ventures, Inc. is the manufacturer of the Drinkwell® Pet Fountains, a household watering system for cats and dogs. With the company based out of Reno, managing director and principal Sean Rowe wanted to give back to the community, but in a way that also benefited our community's pets. "Donating this fountain has been a vision of mine for quite some time," said Rowe. "Seeing how many dogs and owners frequently use this park, I think this will be a great addition for all."

Founded in 1964, Western Nevada Supply is the largest single-location plumbing supply distributor of its kind on the West Coast. Originating in a rented 1,200-square-foot warehouse in Sparks, Western Nevada Supply has grown to include 17 branches, spreading from California and Nevada to Idaho and Wyoming. Western Nevada Supply offers a diverse line of products including plumbing, water works, HVAC, irrigation, hydronics and solar, industrial, tools, fencing and golf products.

Since being founded in 1964, Q & D has been committed to making the Sierra Nevada and Truckee Meadows a great place to work, live and play. Q&D has built many of the institutions and recreational venues that make the region strong. Some of their main projects include upgrading the Reno-Tahoe International airport, Legends Mall at Sparks Marina, the University of Nevada, Reno's knowledge center, and the V & T Railroad.

###

Founded in 1995 by Veterinarian Dr. Mary Burns, Drinkwell® The Original Pet Fountains, are the only pet fountains developed by a veterinarian. Veterinary Ventures, Inc., the manufacturer of the product, is dedicated to the development of health-related pet products for the convenience of pet owners and the well being of their pets.
